### New CEO at BELECTRIC GmbH

- Dr. Thorsten Blanke appointed new Chief Executive Officer of BELECTRIC GmbH
- Current CEO Ingo Alphéus to join parent company Elevion Group as new Country Manager

**Kolitzheim (Germany) – BELECTRIC’s parent company, Elevion Group B.V., has appointed Dr. Thorsten Blanke new Chief Executive Officer of BELECTRIC GmbH. He currently serves as Chief Commercial Officer of BELECTRIC and will succeed the current CEO Ingo Alphéus on May 1<sup>st</sup>, 2022. Ingo Alphéus will join Elevion as new Country Manager of Elevion Group in Germany and Austria as per July 1<sup>st</sup>, 2022.**

“Thorsten Blanke brings more than ten years of extensive global experience in developing and building large-scale solar farms with him. I look forward to seeing him and the successful BELECTRIC team contribute to setting the pace for an even steeper ramp-up of renewables in European power generation”, says Jaroslav Macek, CEO of parent company Elevion Group B.V..

“I want to thank Ingo for his dedicated service and commitment over the last five years to restructuring and transforming BELECTRIC into one of the leading players in the European solar EPC and project development market. Together with the proven current management team Ingo will build on the past rapid growth of Elevion Group in Germany and further drive our strategy to be one of the top players when it comes to sustainable building and energy services in Germany and Austria”, says Jaroslav Macek.

Daniel Rehm, who has joined the BELECTRIC board as Chief Financial Officer from Elevion in December 2021 will also assume responsibilities for O&M services as per May 1<sup>st</sup>, 2022.

BELECTRIC is one of Europe’s leading EPC service providers in the development, construction and operation of solar power plants. The solar energy specialist looks back on more than 20 years of experience in power plant construction and has built over 4 gigawatts of capacity worldwide. BELECTRIC is a member of Elevion Group.

Elevion Group BV is one of Europe’s leading energy service providers in the field of modern energy solutions that focus on sustainability and climate neutrality. Elevion Group belongs among Germany’s market leaders in this segment. The group currently is comprised of approximately 60 consolidated companies and employs more than 4,700 people at 113 locations in 12 countries – in addition to Germany, these include the Netherlands, Austria, Italy, Hungary, Poland, Romania, and China. With two groups of companies (Elevion GmbH, CEZ ESCO II GmbH including BELECTRIC GmbH), ca €700 million revenue and 3,700 employees the German market is currently the largest market for Elevion.
