Elevion Group appoints new CFO for BELECTRIC

- Marek Bako appointed CFO of BELECTRIC, member of Elevion Group, as of September 1st, 2026
- Extensive finance, accounting, and digitalisation experience from within Elevion Group
- Former CFO Andreas Zumegen left the company on August 31st, 2026

Kolitzheim (Germany) – Marek Bako has been appointed as the new Chief Financial Officer (CFO) of BELECTRIC, member of Elevion Group. He succeeds Andreas Zumegen.

As of September 1st, 2026, the Elevion Group has appointed Marek Bako as the new CFO of solar and battery storage specialist BELECTRIC. Bako joined Elevion Group in 2022 and has been serving as CFO of Elevion Energy & Engineering Solutions (EEES) since early 2026.

Jaroslav Macek, CEO of Elevion Group, said: “Marek Bako combines strong financial expertise with a deep understanding of our organisation, processes, and strategic objectives. Having successfully driven finance and digital transformation initiatives across Elevion Group, he is ideally positioned to support BELECTRIC’s continued growth and strengthen its financial performance. We are delighted to welcome him to this new role.”

Marek Bako succeeds Andreas Zumegen, who left the company at his own request after two years at BELECTRIC.

Dr Thorsten Blanke, CEO of BELECTRIC, member of Elevion Group, added: “We would like to thank Andreas Zumegen for his extraordinary dedication and great professional expertise. His commitment has played an important role in strengthening our company over the past two years. We wish him all the best for his future, both professionally and personally.”

About BELECTRIC

BELECTRIC is one of Europe’s leading service providers for the development, construction, and operation of solar power plants and battery storage systems. With 25 years of proven expertise in power plant construction, the solar energy specialist has delivered approximately six gigawatts of capacity across the globe. BELECTRIC is a member of the Elevion Group.

About Elevion Group

Elevion Group is a leading European provider of end-to-end decarbonisation and higher energy efficiency solutions. Thanks to its unique structure and its pioneering spirit, its capabilities can be easily scaled across the project scope, for various project sizes and a range of required expertise. Elevion Group operates on 13+ European markets (including The Netherlands, Germany, Austria, Italy, Poland, Romania and Hungary) through 80+ highly specialised independent companies, but with the financial strength of an international group.
